

APOLLONI VINEYARDS

2004 Pinot Noir

This wonderful wine is from a small local producer in the Northern Willamette Valley.

The 2004 Apolloni Pinot Noir realizes the potential of the outstanding 2004 vintage. The first taste of this elegant wine with velvety notes of vanilla and toast opens up to the dark fruit flavors of berry and black cherry. This Pinot Noir is perfect with filet mignon and mild dishes which will compliment the wine's subtle depth of flavors.

This wine is produced exclusively from our estate-grown fruit of our Flaminia, Filippo and Olivia vineyards. This vineyard combination yields complete fruit flavors and the use of 10% whole clusters and 60% new French oak barrels add depth and complexity.
